

**REMARKS**

Claims 1-33 are pending in the Application. No new matter has been added. Entry of the amendment is respectfully requested. Reconsideration is respectfully requested.

Applicants continue to respectfully traverse the claim rejections. Nevertheless, claims have been amended to advance prosecution.

A Notice of Allowance is respectfully requested. The undersigned will be happy to discuss any aspect of the Application by telephone at the Office's convenience.

**Comments on the Substance of the Interviews**

Telephonic interviews were conducted on November 3, 2004 and November 9, 2004 between Examiner Calvin Loyd Hewitt II and a representative (Daniel Wasil, Reg. No. 45,303) of Applicants. The original interview was initiated by the Examiner. With respect to the Board Decision (Examiner Reversed) dated July 7, 2004, Applicants' representative and the Examiner discussed rephrasing the claims to advance prosecution. The Zeanah provisional application was briefly mentioned by the Examiner. As a result of the discussions, it is believed that the attached amendment to the claims would place the application in condition for allowance. Applicants respectfully submit that except for the recitation of a currency dispenser, the scope of the claims remains unchanged. The added HTML document language is to maintain the broadest interpretation permitted by the specification. Again, Applicants deny that this language limits the claims. The amendment of a claim shall not constitute an admission that the pre-amended claim was unpatentable in any manner. Applicants reserve all rights to file another application (e.g., a divisional application) relating to any claim. The courtesy of the Examiner is appreciated.

Respectfully submitted,
